## Mag-pro TRZ

NEW

Mitchell is now launching the new MAG PRO T reels. Available at 2 price-points, these reels are ultimate tools for catching the biggest fish. Equipped with a trigger, so you can play with the drag during the fight. Press the trigger and you have full drag power. Release the trigger to let the fish run. In addition, thanks to this direct action on the drag power, this reel gives you the freedom to choose to use a smaller diameter of line.

- New innovative aluminum trigger drag system
- Hybrid carbon drag system
- Bail halo rotor
- 8+1 stainless steel bearings
- Carbon body and rotor
- Aluminum main spool and spare spool
- Lightweight carbon handle with EVA knob

## Compact LC Silver

The Compact LC reels have been developed to apply to both Carp 'Big Pit' and Surf Casting applications. The reels are supplied with two long cast spools of different capacities and are fully salt water protected. Two price points are available with the Gold and Silver versions and both in the most popular 70 and 80 sizes. The 80 sizes have a manual bail system to help prevent the bail arm from closing during extremely powerful casts. These reels provide high specification and power at extremely competitive prices and are sure to win favour with both Surf and Carp anglers.

- Machine cut aluminum handle
- 6 Bearing system (Silver)
- Worm gear oscillation
- Aluminum spool & handle
